

UNYKORN BLACK - Lender Proposal

Premium Event Mobility for Atlanta 2026. Requested facility: \$650,000 for a 5-8 vehicle launch and sponsor-backed growth.

Executive Summary

UNYKORN BLACK is a premium event transportation and media platform. It combines luxury fleet operations with sponsor route inventory, merchant referrals, and TROPTIONS Pay settlement reporting. The model is designed to lower risk through prepaid ride credits (BlackPass), account-backed dispatch, and partner-fleet overflow.

Financial Scenarios

Lean: 5 vehicles | Revenue \$723,150 | DSCR 2.6x
Base: 6 vehicles | Revenue \$1,414,200 | DSCR 7.2x
Growth: 8 vehicles | Revenue \$2,365,000 | DSCR 10.5x

Use of Funds

Vehicle acquisition / down payments	\$115,000
Equipment / vehicle financing facility	\$350,000
Insurance reserve	\$45,000
Licensing, compliance, legal, accounting	\$25,000
Website, app, dispatch buildout	\$35,000
Branding, QR, sponsor materials	\$20,000
Working capital reserve	\$60,000

Collateral and Risk Controls

1) Vehicle collateral on core fleet units. 2) Prepaid BlackPass revenue and sponsor contracts. 3) Partner fleet overflow to avoid overbuying. 4) Route-level settlement visibility through TROPTIONS Pay reporting. 5) Launch phase controls tied to event demand windows.
